

## CRPOA dues to increase July 1, 2009

After 3 years it has become necessary for CRPOA to increase dues for all members. This is in response to increased administrative and related benefit expenses. In order to keep the increase at the lowest amount possible we have followed the direction of many associations and businesses and are now using the internet to publish **The Backup** magazine.

**Chuck Adams,  
CRPOA CFO**

For several years we have been posting **The Backup** on the CRPOA web site for our members to download copies of both the current and previous copies. In addition, we have added other timely information and forms to the CRPOA web for you to review and retrieve.

Changes like these will help CRPOA to continue to provide you timely information while allowing us to keep our administrative expenses at the lowest possible. And, The Backup will arrive in a more timely manner. You can choose to view it on the web or print it (in color!) and read it as you always have.

<i>Membership Group</i>	<i>New Annual Dues Rate</i>
California Reserve, VIP, Search and Rescue	\$84.00
Out-of-State Reserve, VIP, Search and Rescue *	\$68.00
